

ZEKREET FORT

Driving directions

Zekreet fort is on the west coast of Qatar, 90 km from Doha. Take the road to Dukhan for 80 km and turn right at the Zekreet junction. Drive through Zekreet, turn left when you reach the limits of the village and drive towards the sea. It is possible to drive from Zekreet village in a standard car, however a four-wheel-drive vehicle would be more comfortable.
